OFFICE ORDER

Today world is facing crisis of clean energy. In the wake of energy sustainability and mitigating climate change, the idea of "Energy Swaraj" or localized energy self-sufficiency has been conceptualized.

Dr. Biplab Goswami and Prof. Kailash Mahto are hereby appointed as Co-ordinator of **Gandhi Global Solar Yatra**.

Apropos: Gandhi Global Solar Yatra is planned by IIT Bombay across the globe to sensitize the young minds towards solar energy and dire consequences of climate change. The young generation, who will bear the maximum burden of climate change, has to be an integral part of this clean energy revolution and Energy Swaraj.

The Students Solar Ambassador Workshop is being organized by IIT Bombay on 2nd Oct. 2019, marking the 150th Birth Anniversary of Mahatma Gandhi, wherein hands-on training will be given to students to make their own solar study lamp. It will be also organised at GCE Gaya with support of IIT Bombay. The students of our college are directed to consult Dr. Biplab Goswami and Prof. Kailash Mahto for participation in the workshop. The maximum numbers of students are limited to 50 only.
